RE: Testimonial for the **Bavarian Beer Garden Band**

The Bavarian Beer Garden Band came yesterday to play for our residents at our retirement community. They were just fabulous! No one could sit still, they were singing, clapping and moving to the music. So much energy! It made me want to get up and dance myself (which I did)!

The folks asked me if we could have them come every month! They told me that they were the best entertainment we have ever had, and we have had some good ones. Quite a compliment for sure! I hope we do get to have them return to entertain us again.
