Subject: Testimonial for **Bavarian Beer Garden Band**

The Bavarian Beer Garden Band recently performed at The Gardens at Juanita Bay annual picnic and they were a huge hit. They are all excellent musicians. But they are not just excellent musicians, they are also excellent performers and a lot of fun. And WOW! – did they perform. Their music made our annual picnic a huge success and a very memorable event. Folks are already asking me, “Can we have them back next year”?
