

October, 2017

The Bavarian Beer Garden Band is the highlight of the year for our residents, with the biggest turnout of all the events we have! The band gets the residents up and dancing, and toe-tapping and clapping along. It's great to see even the shyest resident light up when it is their turn to play the tambourine! From the old German and polka classics to new takes on pop favorites, this upbeat show does not disappoint!
