

OUNCES

TAPROOM & BEER GARDEN

To Whom it May Concern:

We recently hired the Bavarian Beer Garden Band for an Oktoberfest event for our venue. To say that they were FANTASTIC would be an understatement! They were INCREDIBLE — playing an excellent well-rounded set that engaged the crowd with traditional polka and some fun modern stuff too! From start to finish, they entertained with interactive and engaging music, contests and fun! They even let us borrow their Oktoberfest decor to outfit our event! Highly, highly recommended for your next event!

Thanks,
